Program Withdrawal Form

Dear Director/Owner

I _____
Parent name
would like to withdraw _____
Child's/children's name

From Kids Place 2 Explore & Learn LLC/DBA Snells Prek school effective

Date

The reason for my decision is as follow:

I understand from the parent handbook and admission's agreement that I signed and was given to me at enrollment that in order to withdrawing from the program requires a 1 month's written notice to the director (this withdrawal form meets this requirement). No deposit credit will be issues neither returned in the event notice is less than 1 month's or no notice was given. There are exceptions to this agreement and will be handled per case basis.

Example Exception: a contract was for a specific time such as summer camps.
